Programming: Python JavaScript HTML CSS
Web Development: Frontend Development Responsive, Web Design UI/UX Prototyping, API Integration, Webpage Development
AI & Automation: Prompt Engineering, AI Tools & Automation, AI-assisted Web Development, AI-based Content & Solution Generation
Tools & Dev: Git & GitHub, VS Code, Vercel, Canva
Data & Research: Data Analysis Research & Data Collection, Requirement Analysis, Technical Documentation

PROFESSIONAL EXPERIENCE

GeeksforGeeks Campus Ambassador Jul 2025 – Aug 2026
• Represented GeeksforGeeks at the institutional level, promoting coding culture, technical learning, competitive programming, and career development opportunities through student-focused outreach and engagement initiatives. Coordinated technical awareness campaigns and community-building activities, fostering student participation while strengthening leadership, communication, networking, and stakeholder engagement capabilities.

Internshala Student Partner (ISP) Dec 2025 – Jan 2026
• Executed data collection, cleaning, and preprocessing workflows to ensure data accuracy, consistency, and readiness for analysis, supporting data-driven decision-making and business insights.
• Analyzed and interpreted datasets to identify actionable trends while contributing to outreach initiatives that enhanced stakeholder engagement, networking, communication, and strategic marketing capabilities.

LEADERSHIP EXPERIENCE

Vice President of CSEA (Computer Science and Engineering Students Association) Sanjay Ghodawat Institute, Kolhapur
Elected to lead departmental student initiatives, driving the planning and execution of technical events, workshops, coding competitions and student engagement programs.
• Collaborated with faculty members, student teams, and event stakeholders to ensure successful event delivery while strengthening Leadership, project coordination, communication, and organizational management capabilities.

Magazine Secretary (Member of student council) Sanjay Ghodawat Institute, Kolhapur
Managed content planning, coordination, and publication activities for the college magazine, ensuring the accurate documentation and presentation of institutional achievements, events, and student contributions.
• Collaborated with students, faculty, and editorial teams to streamline content collection, review, and organization processes while strengthening communication, documentation, stakeholder coordination, and organizational management skills.

ACHIEVEMENTS

• Demonstrated excellence in leadership, project coordination, event management, communication, teamwork, and problem-solving through active involvement in hackathons, technical competitions, workshops, and student-led initiatives, successfully contributing to innovation-driven and collaborative environments.
• Developed strong stakeholder management, community engagement, strategic planning, adaptability, and professional networking capabilities while participating in technical events and competitive challenges, fostering continuous learning, technical growth, and professional development.

EDUCATION
